MEET THE TEAM

We launched in October 2020 and are based in Ferndown, Dorset

We are a family run business with years of experience in the corporate, retail and new homes industries and are passionate about promoting local produce and love a cream tea!

We were delighted to win the Best Bespoke Gift Store of the Year 2021/2022- Prestige Award South England

HOW ARE WE DIFFERENT?

As a small business we have the scope and creativity to personalise products for our customers

We strongly believe in attention to detail and building relationships with our clients to ensure trust and 100% satisfaction

We offer a choice of reusable baskets and bags wrapped in eco friendly packaging including bio bags that can be used with the compost bins.

We love our local Dorset produce which is the core of our business but we also have a nationwide network of suppliers from other counties

We offer our corporate clients a choice of luxury gift hampers that can be delivered to multiple addresses, postal gift boxes for training and marketing events or we can design a bespoke branded hamper delivered to the business address.
